Tucked in a Clear Lake area office center is a treasure for tea lovers. The Tea Mistress, LLC, contains a variety of loose tea and bagged tea blends that will tickle anyone's fancy. From green and black teas, to herbal teas, to the widely acclaimed Matcha tea, there is something for everyone.

In addition to teas, coffees, some baking mixes and chocolate are also available. There are honeys and tea accessories and beautiful tea pot jewelry. One of the most popular gift items is "blooming tea." The tea is formed into a ball and, when put in hot water, opens like a flower blooming.

Owner Amanda Vermillion, a certified tea master, educates the public on subjects such as making the perfect cup of tea, health benefits of tea, and tea history. She is available to speak to groups (25% discount for non-profit groups) and can include a tea tasting as well. On most Sunday afternoons she holds a tea tasting in her shop (check website for dates and times). These tastings include samples of three teas or coffees, often around a theme such as teas from different areas of the world or seasonal and holiday flavors.
