COFFEE:

As of 4/3/19, we proudly carry the following brands:

Pacific Tradewinds/TexaKona: This Texas-based company brings us 100% Kona coffee grown in Hawaii, as well as Kona blends.

Costa Rican Campfire Decaf Kona Blend, (whole bean only). Price: 16-ounce bags: \$17.
2 oz. Sample Size: Price: \$3.50 (ground or whole bean)

Café Kreyol: Direct-trade, organic coffees grown in Haiti, Colombia, Honduras, and Dominican Republic. This company has a fascinating story: it was founded by a former drug dealer who now works to help end the drug trade at its origin. Their Coffee Hunter Project takes them to countries where coca, opium, and marijuana are grown, where they teach the farmers how to plant, grow and process coffee instead. Farmers are then paid direct trade pricing for the coffee so that they can truly earn a living. Watch the award-winning documentary film here: <https://vimeo.com/127070109>
